Back Lane Wineries Of Sonoma, Second Edition

Synopsis

This updated guide to the small and "secret" back-lane wineries and tasting rooms of Sonoma profiles over 70 hard-to-find, authentic boutique estates that feature world-class, artisanal wines revered by locals and critics. Each year, tourists visit Sonoma's well-trodden wineries, many of which offer wines you can buy readily on the shelves of your local grocery store. Far more difficult to find are the picturesque, oftentimes family-run wineries handcrafting exceptional wines revered by critics and locals alike. Back Lane Wineries of Sonoma will lead you to seventy of these gems, many with only a limited production and local distribution. Updated with new wineries, restaurants, and local attractions; maps; full-color photographs; and tips on wine-tasting etiquette, wine shipping services, and itinerary planning, this guide will prepare oenophiles and beginning wine-lovers alike to relish in the laid-back atmosphere that Sonoma has to offer.

Customer Reviews

Great book for off the beaten path wineries! Some great gems! Some I had already been too. I recommend this book if you are tired of the Napa glitz and looking for something different.

Great book! Used it for a first-time trip to Sonoma County, and found some fantastic wineries and advice in it. Highly recommend it for newcomers to Wine Country!

An excellent guide to wineries we may not otherwise have found!

Got this for my husband and he LOVED it!!!

Bought this for a co-worker.
