This short book by the renown spiritual deliverance minister and teacher, Derek Prince. Mr. Prince focuses on people's areas of weakness or drain of power and labels them as strongholds of the devil. He points to the reality that all evil comes from demonic activity. The author lays out the battle for one's soul that is waged by heaven and hell. He also lays out the weapons of spiritual warfare and the high places of idolization that many people fall into. This instructional and guidance book is 'dead-on' and for those who seek freedom from curses, bad luck, misfortune, et al. Derek Prince outlines the purpose of the book which is to help one ascertain one's position in Jesus, to build up

the presence and influence of the Holy Spirit so that one can live in the love and power of the Lord. Those reading this will bring down the false 'high places' and destroy the strongholds of the the devil and his minions.

I chose this rating because I glean so much knowledge from all of Derek Prince's books. I have learned from reading his biography that nothing trumps scripture and it is from scripture alone that I gain my understanding of God's plan for my life. Derek exemplifies such great authority in his teachings but is quick to point out that authority is not solely his or any one person's but it belongs to all who belong to Christ and walk according to His ways. This book equips believers with the knowledge of how to use scriptural knowledge to tear down spiritual roots and strongholds that we may be embedded in. I highly recommend it.

All of Derek Prince's books have great significance in these troublesome times. I recommend collecting as many as you can get, especially all the ones on spiritual warfare, receiving the Holy Spirit, spiritual protection, etc. as these are even more relevant today. I have learned so much from this man that my own church never taught- instead of meat, they gave us baby food. Derek Prince is strong meat for those who have eyes to see and ears to hear.

In the unseen world around us there is an array of spiritual forces not understood outside the Bible. Derek Prince unmasks these forces that oppose humans and cause many of the troubles that 'just won't move', - a stronghold. He gives answers that can be tested and examples from his own life as well as others. This book is like using dynamite to clear away a path through impeding obstacles in the spiritual plane. When power is needed, where does one obtain it, and how? Proven answers with solid instruction will help get the job done.

I have never had anything by Derek Prince that I didn't love. This man was such a gifted minister and he had a great teaching gift as well as the ability to expel demons successfully and consistently. That is what God directed his ministry to be in a unique and primary fashion. It was very unusual at that time for anyone to have a deliverance ministry. So it wasn't easy at all for this man of God to walk out God's will for his life. As he did it the results were so fantastic because the Holy Spirit was with him, that it wasn't very long before he was recognized throughout the church of Jesus Christ as a gifted saint. His teachings in this book and on YouTube have blessed me so amazingly that I am free of many things that had kept me bound and limited in my Christian walk. I

am so grateful to God for Derek Prince.

I loved this book so many scriptures to help you study with. If you want to know how to pull down strongholds please read this book.

I thought this book was so amazing gave me so much insight into the spirit realm even though we are in Christ He has called us more than conquerors and he has equipped us with every spiritual gift to fight the enemy and bring down those strongholds that were set up against us And Our family

It was much too brief to be of much help. It looked at government and world strongholds more than personal stronghold issues, which was what I would have preferred. If you are really interested in learning how to pull down strongholds I would not recommend this booklet.
