Manchester (Postcard History)

Synopsis

Manchester, the seat of Coffee County, Tennessee, was established in 1836 and named after Manchester, England. The town is located midway between Nashville and Chattanooga and sits on the Highland Rim at the foot of the Cumberland Plateau, where the two forks of the Duck River converge at Old Stone Fort State Archaeological Park. This book is a compilation of vintage postcards highlighting the areas downtown, businesses, and natural riches from the early 1900s to the 1970s as it became a favorite destination for Highway 41 travelers.

Customer Reviews

I grew up in Manchester, Tennessee, in the 1950s. This book of historical photo postcards shows many sites and events that I remember very well. Now that I've been away from Manchester, not living there, for about 40 years, this book is a real trip down Memory Lane. I'm so glad that my sister recommended it to me. It arrived in perfect condition. And I'm so glad that Jane Banks Campbell took the time to so lovingly put together this photo history of our small town. Thank you!
