Customer Reviews

The stickers are kind of smallish, like the size of a very large postage stamp. They would be ideal as art posters in a dollhouse attic or something. As it is I was hoping for something a bit more notecard sized.

Even more beautiful than I expected. These stickers are so nice to use as seals on letters, or to simply include in a letter as a little surprise. I've got a ton of these Dover art sticker books, and this one might actually be my favorite. The colors and designs translated surprisingly well to a smaller size.

All of the stickers are great fun. I use them on the back of envelopes when I write to my children. I decorate with them. I seal gift packages with them. Use your imagination and enjoy.

These stickers are so nice and good quality; good for scrapbooking or other crafting projects like in hand-made cards. So cute!
