## Customer Reviews

My 7 year old daughter loved the first Laugh-Out-Loud Jokes for Kids book, and she loves this one, too--just not quite as much. Still a very worthwhile purchase. The jokes are clean, there does not seem to be a lot of overlap between these jokes and the ones in the first book, and it is helping her develop her vocabulary and reading skills.

I gave this to my 6 year old granddaughter who loves it and tells jokes from it all the time. This was not as popular with her Mom. I got a joke book when I was her age and loved to tell elephant jokes and knock knock jokes. She is a shy intelligent kid. When she tells jokes, the family and others see a different side of her.

Perfect gift for tween boys!

I have bought two other joke books for my son & was disappointed with the content being cheesy or jokes he didn't get. This one is absolutely perfect! My son who is 6, loves reading all the jokes &

we have actually laughed & enjoyed everyone!

I have to say I didn't have high hopes for this book and it turned out to beat my expectations on entertainment value. We got it for my 7 yr old son and the rest of the younger kids loved it too. He would go around the house and recite the jokes (kid appropriate, level) and they would laugh and laugh. My wife and I even enjoyed the jokes and they weren't all so silly and I am sure they ended up on a few of my wife's social media feeds after we were entertained by our kids. I am pretty sure he has the book half memorized by now and still will go and read them from time to time.

My 9 year old read it the 1st day he got it in his xmas stocking and never picked it up again. The jokes were lame and not even funny. I felt bad for him when he tried reading the jokes out loud and nobody laughed.

More Laugh Out Loud Jokes for Kids is 123 pages of fun Q&A style jokes for kids. Like the previous book, this volume focuses primarily on the Q&A style jokes. There are two random pages of tongue twisters dotted in, and the remainder of the book is in Q&A style. I was hoping to see some "punchline story jokes" in here (such as the "two ducks walk into a store" type jokes), but sadly there are none. There are no large illustrations in the book either, so this volume is pure joke fun. My kid comedian had a blast staying up late poring over this book with his cousin, and the jokes were simple enough for younger kids to get. Overall, this is a fun second volume in the Laugh Out Loud Jokes for Kids books. It's a great book for any kid comedian.

Bought as a gift for a 6 year old. Great way for him to interact with others and practice reading at the same time. Better than sitting around on a ipad!
