Customer Reviews

Out of the 20 recipes, only 6 are made from scratch, the rest require brownie mix. Each recipe had pictures and easy to follow instructions.

This cookbook of the 20 best brownies makes you want to try each & every one! There is a gorgeous full-blown colorful picture of all the recipes! Not only do you get the great recipes, you great wonderful cooking & baking tips that every one of us can use. Betty Crocker you’ve done it again, you’ve shown that you’re the Queen of the Kitchen!

90% of the recipes are something I would make, the rest are just not to my liking. I have made 4 things out of book, but I must watch my blood sugar so it is a special treat when I do one. I recommend it for anyone, it doesn't matter how good you are in the kitchen. Easy to follow instructions.

I can't wait to try every one of these yummy recipes. Not one bad recipe in the whole book! I have purchased cookbooks that were ten dollars that weren't as good as this ninety nine cent book. Buy it and you won't be disappointed. Luv it!

I found some great recipes here and have tried some. I recommend this book for anyone interested in making some different and tasty brownies
