Marinades, Sauces, Rubs And Glazes For FISH Only. TOP 50 Good Recipes Grilling And Smoking For Your Cookbook

Synopsis

This cookbook has compiled the top fifty fish recipes. Inside, you'll find unique marinades, sauces, rubs, and glazes to create some of the tastiest dishes you've ever tried. Most everybody enjoys fish, but it can be hard to find good new recipes to try. No longer are you confined to seasoning with just sugar and table salt. These simple but yummy recipes take only a couple minutes to whip together, and use only a few select ingredients. Now you have no need to look any further for preparation ideas! This book has delicious recipes for grilling, baking, and smoking fish. The marinades take only a few minutes to put together, but will boost and improve the taste of your next fish plate tremendously. The marinades contain plenty of fresh herbs and citrus flavors. Before you grill, bake, or cook your fish, make sure to let the marinade sit in for a few minutes (or hours) and after a quick taste test, you may just be surprised that it came out of your own kitchen. These recipes do the magic for you! The marinades soak into the fish and pull the flavor all the way through for moist, memorable dishes. Cooking fish shouldn't be intimidating, and thanks to these recipes, you won't have any trouble finding meals that the entire family will enjoy. Try just a few of these recipes and I bet you'll have found your new favorite cookbook. Won't it be great when everyone is asking for seconds at the next meal? Along with the great recipes, you'll find handy tips and tricks to help you cook up some fantastic fish dishes for any occasion. Whether it's a regular meal or a friendly get-together, the dishes are sure to impress fish lovers anywhere. And you'll be amazed at how simple they are to put together! For health conscious eaters, each recipe also contains information about calories, carbs, and serving recommendations.

Customer Reviews

I love marinating, and grilling, the smell that I get from cooking these kinds of foods inspire me. And of course I love to eat as well. As planned, we will have a barbecue party, and I found some recipes from this book, that I am sure I can try. I liked that recipe about a dip, and it is very easy make so I am including that to my list. I felt hungry as well after looking at those recipes of grilled salmon, as I love salmon. I enjoyed reading this book.

I love Fish, and cooking is an art, to be able use the right ingredients with fish without sabotage them is not easy, i bought this book wanted to make my family happy with cooking , and i can say it was a success , the book is well written , easy to read and understand, the author even use pictures to make the contents more interesting wish is a real plus to the book , i recommend it to anyone

This book it's simple: It gives you 50 amazing Marinades, Sauces, Rubs and Glazes recipes for fish. Including in every recipe the nutrition info, total preparing and cooking time, total servings, all the ingredients that you will need and detailed cooking directions. If you are looking for new fish recipes and want a book that goes straight to the point and gives you a lot of useful information, you will love this book.

I love it! This book surpassed my expectations! I expected a simple marinades and sauces but this is amazing! Me and my family are used to the simple way of preparing fish, but since we decided that we need to eat fish more often I decided to search for different ways of preparing it. All of us love the recipes, they are so delicious and at the same time easy to prepare. I highly recommend it!

These are practical recipes. I am NOT a professional cook, so I'm always looking for the recipes that can turn out good in my hands. I figured out this is a really awesome collection right here. I've tried the tuna steak and many of the marinades and haven't failed yet. Delicious dishes! I'm really enjoying it so far, and will be using it for a long time.

This cookbook is full of different kinds of recipes marinades. This is superb! I have tried to cook a few recipes and I am happy with the results. Easy to follow and very tasty! Each recipe has pictures, so before you even prepare it, you a look of how it should be. I would recommend this to anyone who likes marinades, rubs, sauces and glazes.

Simple stuff, surprisingly delicious is basically what this book should be called! Minimum amount of ingredients in every recipe I've had this far but they always come out as expected (enjoyable). I've shared a couple with friends since I got over the book and nobody has turned up their nose to the dishes.

This book is good for those people who want to experience a new taste of meat. There are a plenty of different recipes of marinades in the Internet and I wasn't sure that I will find something new for me in this book. It provides a very detailed nutritional info, so it is a perfect book for those who cares about calories, fats, carbs, etc, Very interesting. I will highly recommend this book to everyone.
