Customer Reviews

Avocados are so so popular and these recipes were delicious. It seems we eat avocados with every meal. These were simple and easy to follow. Would recommend to all Avocado Lovers!

Good recipes beyond the usual guacamole. I will be using this as soon as avocado season arrives with lots of fruit.

Some of the recipes are quite easy to follow. In an overall sense, most of the recipes are pretty healthy.

Great little book. Can't wait to make avocado ice cream and some of the other desserts. I also ordered the books on spinach and beets.
