Customer Reviews

I have been planning to buy for this Christmas an electric pressure cooker that is why I have downloaded this book to see if what recipes can an electric pressure cooker can do, as per reading

this book It was amazingly great that i have this dishes on me and i will intend to buy it so that i will cook delicious foods from this heaven sent book.

A good introduction of pressure cooker and its overview when it was invented by a Frenchman in the early 1600s. This book has also discussed the tips on how to maintain the cooker for its longer functionality, and on how to spot the difference between a standard and electric pressure cooker. The recipes looks good, especially the pork barbeque. Nice one.

I love pressure cooker, as I'm pretty busy working mum. Electric pressure cooker gives us chance to cook healthy, delicious meals in no time at all. There are many benefits from prpressure cooking like cutting the cooking time in half, all the ingredients remain inside..The mani advantage is that it saves cooking time from start to finish. There are useful tips for safety, that one has to keep in mind, advices on maintence and cleaning are useful, too. Recipes include tomato chile pork chops, cherry sauced pork chops, meatball stew, braised pork..All recipes include ingredients and instructions to be prepared. Nice and useful, at least for me.

Very impressive! Sometimes my wife and I do not have time to cook, so a electric pressure cooker help us to cook any tasty food in a few minutes. This book provide easy and quick recipes to electric pressure cooker. I followed several recipes of this book and I am happy with the results. I bought this book on a promotion, with a discount price. Worth recommending!

There are amazing things that electric pressure cooker can do. This book shows us different 50 seafood's pressure cooker recipes. These are easy to pressure and good for a big family. I'm so excited to make these recipes for my family.

I have this book loaded on my kindle and refer to it often as I am preparing meals in my electric pressure cooker. This book gives history and explains pressure cooking. I really like the recipes...they are simple and with the new knowledge of pressure cooking, I can now go out on my own and create my own pork recipes. I've been cooking up a storm in my pressure cooker that had been on my shelf for over a year and wasn't being used. So thank you for getting me going!

I am happy to review this book as first customer who review considering that I learned a lot of things from this book of recipe. We all know that pressure cooker makes our food preparation easier

compare to an ordinary tender methods. The authors shares detailed information in preparing, cooking and the complete list of ingredients of every recipes, for the reader fulfill his food urge.
