Customer Reviews

I've tried 2 recipes so far and they came out great! I had to re-stock my spice supply because recipes are easy but require lot of ingredients. I would recommend this book to people who have to cut on calories, lot of recipes are for plain chicken breast.

I am amazed at the low cost price of this fantastic cookbook, which is great on the budget in this challenging economy. Many of the ingredients are common, and every mouth-watering recipe includes how-to-prepare directions. Some of the delicious recipes include: Lemony Chicken; Grilled

Honey-Glazed Drummies; Bruschetta Chicken; Baked Buttermilk Chicken; Wrapped Chicken Breast In Prosciutto; Coconut Curry Chicken; Mediterrean Chicken With Red Potatoes; Pan Grilled Chicken With Cranberry Salsa; Sweet & Sour Chicken With Cashews; Honey Brushed Spicy Chicken; And more. Thus far, we made the: Chicken Potpie; Orange Roasted; Italian Chicken Marsala; And the Sweet & Sour Chicken With Cashews. My daughter loves these recipes as much as I do, and all were very tasty, and filling. Our next selections are: Chicken Parmigiana With Dried Oregano; Herbed Chicken Parmesan; Lemony Chicken; And Chicken With 40 Cloves Of Garlic. We will leave updates as we make new recipes. What a fantastic bargain for so many easy-to-prepare, mouth-watering recipes. I'll be sharing these recipes with friends and family. Highly recommended!

My mouth was watering while I was preparing for the Grilled Honey glazed chicken! And it was really good. The herbed chicken parmesan is also amazing. You will surely get compliments when you serve these dishes. Can't wait to try the others!

This is one good book for chicken it has some great recipes in it and they are easy to fix so if you love chicken as much as I do you will enjoy this book. Thank you.

This is an excellent book, at a give away price, I was not expecting such a wide variety of recipes to add to my arsenal for my favorite meat.

I love chicken! So any new recipes is always welcome! Found some new ideas worthy of a try. And some I can tweak to make my own.

This is a great cookbook for different ways to cook chicken. There are several recipes that will become our family favorites!

Amazing, easy to follow recipes that even I can complete. I highly recommend.
