Customer Reviews

Iâ™ve read few books on vegetarian lifestyle and feel i need to go for this option. Right now it seems little bit challenging due to old habits of consuming non-veg. Anyway, after buying these books in one set Iâ™ve got huge variety of recipes to try and enjoy. Both ways of cooking are healthy as there is no MEAT but still veg dishes in slowcooker are the best for me, besides it is timesaving and marvelous in taste. Everyone can find special recipes from this offer to be healthy

and in good shape.
