White Heat 25

Synopsis

A 25th anniversary edition of the collection of classic recipes from the 'enfant terrible' of the UK restaurant scene, featuring striking photographs of his kitchen and his cooking. Once in a blue moon a book is published that changes irrevocably the face of things. White Heat is one such book. Since it was originally produced in 1990, it has gone on to become one of the most enduring classic cook books of our time. With its unique blend of outspoken opinion, recipes, and dramatic photographs, White Heat captures the magic and spirit of Marco Pierre White in the heat of his kitchen. Marco Pierre White, the original 'enfant terrible', has earned his place in British culinary history as much for his strong temperament as for his unique talent as a chef. The youngest chef ever to earn three Michelin stars, he has become not only a star chef of international renown and food icon of our time, but also a multimillionaire entrepreneur. White Heat has combined sales of over 75,000 copies since first publication in 1990. This immensely influential cookbook is regarded by many chefs and foodies as one of the greatest cookbooks of all time. Features 73 recipes and reportage from behind the scenes in Marco's kitchen, illustrated with iconic photographs by Bob Carlos Clarke. 'White Heat is an edifying read ... a book that breaks new ground.' - Time Out 'Wonderfully illustrated with photographs by Bob Carlos Clarke...this will sit equally well on your coffee table or kitchen worktop.' - GQ 'Amazingly religious experience' - Anthony Bourdain 'White Heat is as unlike any previously published cook book as Marco is unlike any run-of-the-mill chef.' - Sunday Telegraph

Wonderful look at a classic bad boy - brilliant chef. Great photos in the style of magazine

photojournalism. Also some wonderful recipes. Just try the sauce part of one of his with your own "simpler" main courses. Brilliant stuff!

It's just a very beautiful book, complete with great photographs. Although the recipes are Michelin-level, this book delivers in inspiration with an uncompromisingly-talented Chef. I found it very inspiring, and it makes a great coffee table book.

I read this book in three hours. Totally captivating. Excellent photos of a great chef. The "Jagger" of the kitchen.

I could not put it down, breathtaking photography, brilliantly scripted

Great book but it came plastered in stickers. Are you kidding me?

So happy to add this book to my collection. Great book!

Good, light reading.

It's good for me.
