## Customer Reviews

A recent Dallas Morning News column profiling T.D. Jakes quoted a University of Houston sociology professor saying that Jakes is "incredible in how he's able to diagnose people's pain. He has an uncanny ability to put a finger on the human condition." Jakes' new book *He-Motions* illustrates the verity of the professor's statement. In *He-Motions*, Jakes nails the issues and challenges Christian men face today in trying to fulfill their many roles and pursue their dreams. Jakes writes from his heart and soul as a pastor, father, husband and entrepreneur. In the opening pages, he describes his motivation for writing: "I want to share what I've learned. I want to cut through so much of the junk imposed on men today and talk heart to heart about what it means to be a man, not in some touchy-feely group hug kind of way but in an honest, soul-bearing way, which also respects men and honors the women who love them and whom they love." Jakes thoroughly succeeds in fulfilling his desire for this book. Not only does he address male readers, but he also targets female readers who hope to gain insights about men. Jakes' no-holds-barred writing offers refreshing candor for those wanting an honest assessment of who they are and where they are in life. Jakes writes about his childhood, his ministry, his family and his ups and downs in life-always tying stories to life lessons for readers. It does not take the reader long to discern that Jakes possesses a vast breadth of wisdom and understanding about the inner workings of men in our culture. Jakes writes that "a man must value himself." *He-Motions* can help readers make great strides in finding value in themselves-regardless of their circumstances.
