## Customer Reviews

Nice book! I like it. The recipes are well, great and really easy to follow. I just put everything in the pressure cooker and 15-20 minutes I already have a delicious fresh meal. This book is very well

written and I will be recommending this book to all my friends.

I really like the recipes in the cookbooks, but the lack of photos make them just a text, I can't imagine, how the dish could look like, how it could taste- and I don't want to try the recipe...

Lots of great recipes. Especially for newbies
