## Customer Reviews

These are "TO DIE FOR" recipes , and believe me I was, after looking through them. I made the muffins you see on the cover,as part of Easter brunch---there were none left and that should tell you how good they were. I paired them with an omelet from THE EGG AND I, which you can find on , and then I added some fruit snacks from Hannie P. Scott's book about Fruit Snacks , also found on . Needless to say, there were NO leftovers, and THAT should tell you something too!!!

This was purchased as a gift and they are happy with the recipes they tried.

Thank you for another great book!! All of the recipes look really good! Looking forward to trying out the caramelized - onion bacon biscuits, as well as several others. Most definitely recommend!!

Terrific recipes like my grandmother used to make.

I love all of SL Watson's cookbooks.
