Customer Reviews

Good book. Great it's available in Irish. Sadly my copy came with an advertising sticker on the front that left marks on removal (I have an MLIS, and was a school librarian for a decade, so it wasn't me, honest) and the middle pages had some small black marks that I couldn't remove. But I'm sending it "home" to Ireland for Christmas, so it'll be sent marks and all. After my great grand nephew gets his mitts on it, those few marks will pale in significance, I'm sure.

Guess how much I love you is a special book for our family. It's the first book we read to all of our children when they first came home from the hospital. Much to my surprise I speak Gaeilge and it was so very special to be able to read them this book in my native language. My Grandmother

would have been so happy to hear me, and to know that they were getting to hear a bit of her language through me since she is no longer with us. Thank You.

I am learning Irish and I found that this book is simple enough to help with that process. Great book too.

For the price, this hardcover book is great. While it is a children's reader, it helps adults also learning Irish. The quality is excellent. Highly recommended!!! The illustrations are beautiful.
