Language: English

ISBN-10: 1884364268

ISBN-13: 978-1884364266

Product Dimensions: 0.2 x 7 x 9.2 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 2.8 out of 5 stars [See all reviews](#) (4 customer reviews)

Best Sellers Rank: #2,079,786 in Books (See Top 100 in Books) #58 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Dolls, Toys & Figurines > Toy Animals](#) #24891 in [Books > Reference > Encyclopedias & Subject Guides](#) #289111 in [Books > Children's Books](#)

## Customer Reviews

I bought my Furby from a second hand store, and I had no idea what my Furby was talking about most of the time. I bought this book, and it explained everything about Furbys from what the Furbish words meant to instructions to play all of the Furby games from Hide and Seek to using your Furby as a fortuneteller (for fun "yes/no" questions). It even includes tricks that kids (and adults!) will love, like how to make your Furby burp eight times in a row or get a case of hiccups. Also included were photos of other Furbys available, Furby accessories, and Furby history. It contains a lot of information within a short number of pages. I am not sure what, if any, information comes with the Furby in the original package, but for me (having no instructions) this was a fantastic book that has led me to have a great time with my Furby, Delola!

This book is not worth buying - it is already outdated. If you really want information on Furbys, browse through websites from Furby fans. You will probably find more current and helpful information there. A true disappointment!

I am very disappointed in this manual. It was a manual on the old generation furbies, not the 2005 models. I was directed to get this manual to help train my new high tech furbies. Well 3 weeks after I ordered the book (paid overnight) I looked at it and realized I had been ripped off. The only good thing was I do have first generation furbies that I can train a little more.

This book is just GGGRRRREEEEEEAAAAAATTTTTTTTTT!!!! It has EVERYTHING you would ever need to know about Furbys!!! BUY IT!!!!!!!!!!
