Customer Reviews

Many fantastic ideas in this book! I plan on using stevia in place of sugar when I try the recipes to make them healthier. Yum!!

Glad I found this wonderful book as it is chock full of yummy recipes for your ice cream maker. We like making our own ice cream as it is so much cheaper than store bought.

I've tried a couple of recipes already, and they were not only tasty, but quick and easy to prepare. I'm anxious to try more flavors!

Family just loved the different tastes of frozen yogurt. Best ever.

You definitely need an ice cream maker, but if you had one, these simple, no-fuss recipes would help you get the maximum usage of your ice cream maker. Would be great to host parties!
