Love this take on 'adult' coloring books. Wine Time is a good-sized book with unique pictures that are fun to color. Don't tell, but I've been known to pour myself a glass and color with the kids during afternoon quiet time on the weekends ;) If using markers, place an extra sheet of paper behind the one you are working on to prevent bleed through.

With relaxing designs and easy to color pages this Wine Time coloring book is perfect for any wine lover out there. I would highly recommend as a gift as well. I received a copy of this book in exchange for an unbiased review. Five stars all the way.

Great adult coloring book and perfect for pairing with a glass of wine after a stressful day. Love these coloring pages for myself and the artist's other coloring books "Simple Animals" and "Whimsical Bugs" for myself and my kids.

Such a fun coloring book. Love the wine theme for an adult book. Maybe a wine and coloring party for an adult night.

Very nice, adult coloring book with space for individual creativity. Definitely a great way to destress.
